

March Healthcare Development

Entirely new healthcare for the entire community.

AUGUST 3, 2009

**MYTH:** A new hospital is going to cost me.

**REALITY:** "MHD is a redevelopment home run for our region! It will bring a significant number of high paying jobs while creating wellness facilities and healthcare services that fulfill a critical need for our community and veterans and their families."

Philip A. Rizzo, Colonel,  
United States Air Force, Retired

**FUTURE:** Entirely new healthcare  
for the entire community.
