

March Community Hospital and March Healthcare Development would like to thank the community for your continued support of the project and here are 20 great reasons to remind you of its importance.

Don Ecker
Founder & Managing Partner

1

"An innovative approach to a pressing need [expanded healthcare] for the community."
Victor Miceli
Retired Riverside County Superior Court Judge

2

"Healthcare education, research, and training are critical elements."
Judy Carpenter
President/COO, Riverside Medical Clinic

3

"Riverside County [hospitals] are underserved and over-crowded."
Joan Sparkman
Chairperson of the Board, Southwest Health Systems

4

"Quality transitional care with access to physicians that can manage the process peacefully."
Charlotte Dye
Vice President Administration, Acorn Technology Corporation

5

"To develop future generations of physicians and other allied health professionals to serve our community."
Dr. Perez, President
Moreno Valley Campus, Riverside Community College

6

"Riverside County has a severe and growing shortage of physicians."
Dr. Larson
Chairman of the Board, CEO, Riverside Medical Clinic

7

"It's a magnet to attract specialty medical services to our region."
Robin Zimpfer McDonnell
Retired, Riverside County Assistant Executive Officer, Economic Development Agency

8

"It will usher in a whole new era of performance for our community, our veterans and their families."
Jacques S. Yeager
Partner, Yeager Brothers, Former Regent, University of California

We are pleased to welcome BPC Media Works as our communications team.

So "grab your keys" and join us at the upcoming planning hearing and make this visionary project a reality.

Paulette Brown-Hinds
Managing Partner, BPC Media Works

9

"State-of-the-art services, centralized in one location, will allow MHD practitioners to place priorities on the patient and their well being and the immediacy of treatment."
Amy S. Harrison
CEO, Altus, Former Chair, UCR Foundation Board of Trustees

10

"A skilled nursing facility on its medical campus will make adjusting from critical care to convalescence quick and easy for both patient and family."
Krishnama K. Raju, M.D.
MBA, Assistant Area Medical Director Riverside Medical Center, Assistant Chief of Staff Moreno Valley Medical Center, Kaiser Permanente

11

"The benefits of a health insurance plan are only as good as the quality of available healthcare. MHD's approach to solving this need will create Centers of Excellence in our region."
Robert Lancaster
Vice President, Hub International Insurance Services, Inc.

12

"[The campus] will allow us to minister to the community in a unique place designed to attend to the body. Real healing can only happen when both are given equal attention."
Pastor Lacy K. Sykes, Jr.
Cross Word Christian Church

As seen in The Black Voice News Senior Health special, continuing care is March Healthcare's phase 1 priority

13

"We need [healthcare] solutions that can reduce the cost of healthcare and improve patient outcomes and satisfaction. These results can be achieved through research, teaching, and clinical care that will be provided on the campus."
Michael J. O'Conner
Executive Vice President, Hub International Insurance Services, Inc.

14

"To retain the physicians who have been serving this community with dedication for the last two decades, and to attract new group of physicians to the area."
Dr. Bakhtiar Ahmad MD
FACEP, FACS, General and Vascular Surgeon, Chairman Department of Surgery, Moreno Valley Community Hospital

15

"It will bring a significant number of high paying jobs while creating wellness facilities and healthcare services that fulfill a critical need for our community and veterans and their families."
Philip A. Rizzo
Colonel, United States Air Force, Retired

16

"Its commitment to partner with other fine healthcare, military, and educational institutions in the region."
James H. Erickson
Director, La Sierra University, Center for Philanthropy

17

"It's a revitalization magnet. Every dollar invested will return 20 times through jobs and attracting new residents and businesses that will support the campus."
Dan Stephenson
Founder and Chairman, The Rancon Group

18

"The project, which will employ 14,000 people and provide 23,000 construction jobs, is shovel-ready and raring to go."
Jamil Dada
Chairman, National Association of Workforce Boards

19

"Additional quality healthcare and the creation of the well-paid jobs during construction and after in recruiting highly-skilled, health care providers to the region."
Oscar Valdepena
President/CEO, Moreno Valley Chamber of Commerce

20

"Our family understands the importance of having trained health care experts and providers."
Hardy Brown II
Executive Director, Black Voice Foundation

Entirely new healthcare for the entire community.
